

# 🕷️ EGG BOX Incy Wincy 🕷️

## **Incy Wincy Spider**

Incy Wincy spider climbed up the spout  
Down came the rain and washed the spider out  
Out came the sunshine and dried up all the rain  
And Incy Wincy spider climbed up the spout again!

You will need:

- An egg box
- Pipe-cleaners or chenille sticks (if these are long they can be cut to size)
- Scissors
- Felt-tip pens
- Optional - self-adhesive goggle eyes
- An empty kitchen roll tube
- Aluminium foil
- 60cm string or wool

## Make Incy Wincy

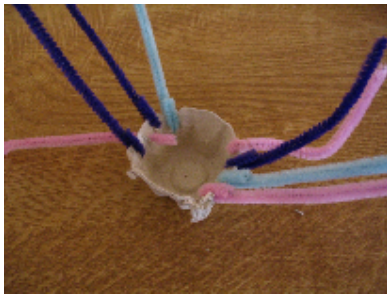

1. Cut out one cup from an egg box

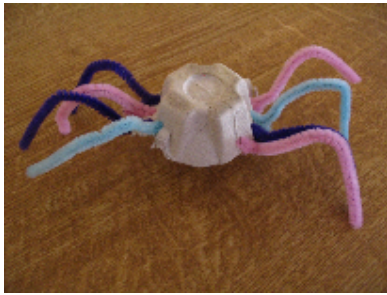

2. Using a skewer or similar sharp object, make 8 holes (4 on each side) at the base of the cup. This should be done by GROWN UPS ONLY. As an alternative you could simply tape your legs onto the cup.

3. Trim your 8 pipe-cleaners/chenille sticks to 10cm lengths

4. Push each pipe-cleaner/chenille stick through the hole, from the outside of the cup, inwards

5. Fold it over 1cm to hold the 'leg' in place
6. Bend each 'leg' in an upside-down V shape

7. Either attach self-adhesive goggle eyes or draw eyes with a felt-tip pen
8. Draw a smile with a pen

9. Tie a knot in one end of your wool/string
10. Make a hole in the top of the spider with a skewer or similar sharp object (GROWN UPS ONLY)
11. Thread the string through the cup from the inside out so that he hangs from the string

**Your spider is finished, now you need to make his spout!**

### Make the spout

12. Cover an empty kitchen roll tube in aluminium foil by rolling it up in it

13. Tuck the ends into the roll to hold in place

**Now Incy Wincy is ready to climb up the spout!**

### Perform the rhyme

14. Thread the string through the spout so that it hangs out of the bottom of the spout

15. As you sing the rhyme, pull on the string and Incy Wincy will climb the spout, when he is washed out, lower him down!
