

# 🕷️ SPIDER PARTY HAT 🕷️

You will need:

- Black paper (although other colours could be used!) – A3 size or 3-4 pieces of A4
- White paper - A4 size
- Sellotape
- Scissors
- Glue

1. Cut a band of black paper between 6cm and 8cm wide (ours was 8cm) and long enough to circle the hat wearers head! (if you do not have A3 paper you will need to join 2 A4 pieces together with tape)

2. Use tape to stick the ends together and make a band

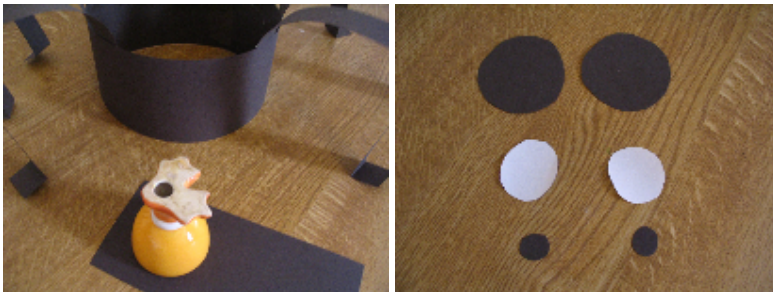

3. Cut 8 strips of black paper, 2.5cm wide and 30cm long

4. Fold each strip in half, then fold one end of it back 2cm for the foot

5. Tape the straight end of each strip inside the paper hat band until you have 4 on each side

6. Use an egg-cup or similar to draw 2 circles on black paper and cut these out

7. Cut out 2 smaller circles using white paper and 2 more, smaller still, using black paper

8. Glue the smallest black circles on to the white circles, and the white circles on to the largest black circles

9. Tape the 2 eyes together at the back

10. Tape the eyes to the front of the hat band

11. Leave glue to dry and then wear with pride!
